REPRODUCTIVE ENDOCRINE ASSOCIATES OF CHARLOTTE, P.C.

Husband's Consent
(To be executed if Gestational Carrier is married.)

INFORMED CONSENT

The Gestational Carrier is married to _____
(Print full name as on driver's license)

(hereinafter referred to as "Husband"). Husband understands that he will not participate in any way in the Gestational Surrogacy Procedure described in the Agreement for Gestational Carrier and the Exhibits (hereinafter "Agreement") thereto. He agrees to and supports Gestational Carrier's participation in this procedure, and he acknowledges that he has no rights, nor responsibilities, with respect to any child born as a result of the implantation of the embryo(s) in Gestational Carrier's womb. Husband shall not form a parent-child relationship with the child born of the implantation, and acknowledges and agrees to perform all acts or tests (including, but not limited to, blood, and/or DNA testing), necessary to rebut any presumption of paternity, if any. Husband signs this Consent document to indicate his full support and his full and complete understanding of the Agreement's terms and conditions as they apply directly or indirectly to him and to his wife (Gestational Carrier herein). Husband agrees that he shall not bring any action in any jurisdiction and waives any and all actions and rights, if any, against REACH for any issue with respect to the additional private, written agreement between the Parents, Gestational Carrier, and Husband including but not limited to, issues concerning prenatal care of the child, the birth of the child, custody and placement of the child, or any other direct or indirect aspect of the underlying private, written agreement. Husband agrees and stipulates that he shall indemnify and hold REACH harmless for any and all claims and disputes by and between Parents, Gestational Carrier and Husband or their respective representatives, agents, or assigns which are in any way related to the prenatal care of the child, birth of the child, custody and placement of the child or any other direct or indirect aspect of the underlying private, written agreement between the Parents, Gestational Carrier and Husband.
